Dimitris Tsitsos

Student at University of Western Macedonia
Kozáni

Summary

I am Dimitris Tsitsos, a senior undergraduate of mechanical engineering in Kozani. A fast learner and passionate about engineering. I have a good knowledge on Creo and have done some work on Catia V5. Currently reading on fluids mechanics in Ansys. Looking forward to be challenged and learn something different everyday.

Education

University of Western Macedonia

Bachelor's degree, Mechanical Engineering · (2019 - 2022)
